Changes at Hinkle Hill for 2026

As you know, I love to cook! I have been cooking since we opened in 2017, and I have enjoyed every minute of it. However, it is time to start doing other things that I enjoy in life, and my work schedule at Vandy has changed and become more demanding. So as of January 1, 2026, I will not be cooking anymore. I won't leave you hungry though, I have several meal ideas for you.

Instacart delivers from Costco, Kroger, Publix, Sprouts, Brooks, and just about every grocery store and restaurant in Murfreesboro, Shelbyville, and Tullahoma. I have a boost membership if you need assistance with ordering and you can just Venmo me.
Costco's deli makes fresh meals every day that can just be put in the oven or heated up on the stove. They have chicken pot pie, meatloaf & mashed potatoes, chicken tortilla soup, chicken alfredo with penne pasta, shepherd's pie, rotisserie chicken enchiladas, chili, chicken salad, and many other delicious dishes.

We also have several local restaurants I would recommend:
